

2015 Arizona Pavements/Materials Conference

November 17-18, 2015

“Progress in Pavement Practices”

Abstracts for the 5th Annual Student Poster Presentations at the 2015 Arizona Pavements/Materials Conference are being accepted until **Friday, Oct. 16, 2015**. For consideration, student research should be in line with the conference theme or topics listed on the website.

Abstracts are limited to 400 words in length, may include one graphic and should not exceed one page. The name of the presenter and contact information should be clearly listed under the title. Abstracts should be sent to Jeff Stempihar at: jstempih@asu.edu.

Cash prizes will be awarded as determined by a judging committee comprised of members of the Conference Planning Committee.

- ◆ First overall place: \$300.00
- ◆ Second place (graduate & undergraduate): \$200.00 each category
- ◆ Third place: (graduate & undergraduate): \$100.00 each category

Please refer to the conference website for information regarding the poster session and judging criteria. Posters for selected abstracts will be due **Nov. 12, 2015**.
