CALL FOR POSTERS
Poster competition open to undergraduate and graduate students

Posters for the 11th Annual Student Poster Presentations at the 2021 Arizona Pavements/Materials Conference are being accepted until Friday, Oct. 29, 2021. The posters should be in line with the conference theme which is “Resiliency after the Pandemic”. They may address performance-related topics on pavement age, traffic, layers strength and improvement and engineering properties. Pavement construction quality, maintenance, and preservations practices leading to the pavements position on the performance curve are encouraged.

Competition Format: Posters must be in landscape format with a minimum font of 44. Participants will have a 5-minute live presentation (3 minutes to present - 2 minutes for questions). Be concise and straight to the major findings of your research. Winners will be announced on Thursday November 18th at 12:30 pm.

Posters should be sent to Dr. Ramadan Salim at rsalim@asu.edu Cash prizes will be awarded as determined by a judging committee comprised of industry members, agency officials and ASU faculty.

- First overall place: $350
- Second place (graduate & undergraduate): $250 each category
- Third place: (graduate & undergraduate): $150 each category

To be considered for prize awards, posters must be submitted by Oct. 29. Late submissions will not qualify for prizes. Refer to the conference website for information regarding the judging criteria.
